Dear Parents and Families,
Join us for a special presentation during the PTA General Meeting to learn more about the Entrepreneurship Pathway at IDEA High School and how students develop creativity, leadership, and real-world business skills.

COME DISCOVER:

- How students develop and present their own business ideas.
- Hands-on projects and entrepreneurship activities.
- Business, marketing, and financial skills.
- Student competitions, certifications, and internship opportunities.
- How the program prepares students for future careers.
